## Inventory In Order By Manufacturer And Description

**December 31, 2018**

**Dear Prospective Buyer,**

**Thank you for your interest in viewing the inventory Spreadsheet.**

**This inventory is being offered to industry leaders interested in purchasing the whole lot at a significantly discounted price.**

**If you are interested, please contact us directly, at 404-351-6340, or send email to: nch3@acksupply.com . No agents or brokers, please.**

**Below, is the up-to-date inventory spreadsheet, which is 290 pages, and is in alphabetical order by manufacturer. Here, you can see that we are well stocked with New Old Stock (NOS) hard to find inventory that goes back many years.**

**The items for sale include thousands of semiconductors, resistors, audio and RF connectors, relays, enclosures, panel meters, rack panels, power supplies, hand tools, soldering irons and iron parts, transformers, potentiometers, switches, rheostats, connector-adaptors, LED's, capacitors, Jones plugs and sockets, speakers, barrier strips, fuses, fuse holders, audio transformers, alligator clips, insulators, Variacs, contactors, Molex connectors, and much more.**

**From the other website web link you can see pictures of the parts shelves and isle-ways housing the inventory.**

**We desire to sell the parts in the bin boxes, in the metal shelves, which will be shrink-wrapped for transporting to the buyer's location.**

**The shelving layout, as shown in the pictures requires 2000 square feet of floor space, with a height of eight feet.**

**Please direct further inquiries regarding the discounted purchase price or any other questions to me directly.**

**Again, I thank you for your time and interest.**
